PAPAYA HOUSE

COLIVING CODE

We want everyone to have the best possible experience, so the following are rules that we all should follow.

HOUSE KEEPING

The house is professionally cleaned once a week but we must collectively take care about the common areas:

- Take the trash out when its full
- Empty the dishwasher
- Throw away leftovers in the SHARED shelves
- Clean the sink after your meal
- Wipe the working space

KITCHEN STORAGE

Every room has its own space in the cupboard, fridge and freezer. Familiarize with your room name to find your storage locations.

Check the shape and the name of your room to know where you can place your food.

There's also a shared shelf called "general" for all the colivers. Note that if you leave something there it is considered that's for everyone.

When you leave the coliving, please put the **leftovers you want to share with your colivers on the General storage**. If there are any products that expire soon please throw them away.

HOUSE CODE

The house is professionally cleaned once a week but we must collectively take care about the common areas:

- Smoking is not allowed inside the house
- If you smoke outside please clean the ashtrays after use

COMMUTING

Las Palmas is a small city where you can go almost everywhere walking but if you're too tired or you want to save time, buses are a great option.

In the Canary Islands you will never hear the word “bus”, though, because the islanders use the word “guagua” for that instead.

The [yellow buses](#) are to commute within the city and the [blue buses](#), generally, to go out of it.

Most used bus lines for the colivers:

- [Line 17](#) to go to Las Canteras Beach
- [Line 1](#) to go to Vegueta, the Old Town.

If you want to save some money and go contact less, have a look at this [rechargeable card](#). To get it and charge it you must go to the bus stations of Santa Catalina or San Telmo.

BIKES

Another great option to go around the city.

The Bike's Company of the city par excellence is [Sitycleta](#), thanks to its affordability and comfort, Las Palmas is becoming a bike friendly city.

The fees are from 1,50€ (30 min) to 40€ (1 year).

[Check the rest of the rates here.](#)

Please note that bikes are not allowed to be left around the building . If you rent a bike please either bring it inside the coliving or park it with a good lock across the street by the town hall entrance.

Here some of our recommendations:

- **El Ayuntamiento**, closest available café with cheap weekly menus
